## **Remove and replace existing Fascia/Soffit/Guttering to flats 49-71. White UPVC replacements.**

Dear Sir/Madam,

Please find below our quote for the works to Farriers Close flats. I have allowed within my quote to remove the existing fascias/soffits/guttering/down pipes and associated clips and fixings and replace with new white UPVC replacements.

Guttering-112mm half round white upvc with 65mm outlet for downpipes. Fixed every 1000mm

Downpipes-65mm white upvc round downpipes. with white upvc clips fixed every 1200m.

Fascias- White upvc 18mm fascia fixed with white capped stainless steel nails. With associated joiners and end caps to suit.

Soffit-White UPVC to match existing with soffit vents drilled and fitted to underside of soffit.

Cladding-White UPVC ship-lap cladding with associated trims for finishing.

I hope I have covered everything that has been required. Should anything be unclear, or require adding. Please do not hesitate to contact me.

Thank you for allowing GWBS the opportunity to quote. And i look forward to hearing back from you soon.

Kind Regards

JP Donovan

Director

All waste removed from existing to be removed from site and disposed of properly.
